

**Finding of Suitability to Lease
559 Square Feet of Property
For Sanitary Sewer Forced Main
Rt. 641 Near Intersection with Rt. 199
At Cheatham Annex, VA
To King's Creek Plantation**

In accordance with ASN I&E Memorandum of 22 December 1993, I have reviewed the Environmental Baseline Survey Checklist and other related appropriate information concerning this property.

559 square feet of land (335 sqft for force main easement and additional 224 sqft during construction) at the Cheatham Annex Railroad where it intersects Route 641 just west of the intersection with Route 199 is suitable to lease by Cheatham Annex, Williamsburg, VA to King's Creek Plantation for the installation and Maintenance of a connection to an existing sanitary sewer forced main.

Hazardous substances or petroleum products have not been stored for one year or more or known to have been released, treated or disposed of on the parcel.
